

3. Isn't it time-consuming for me to learn vocabulary in an additional language (AL)? Will I learn less content than other students taught only in the school language franca (SLF)?

Studying a subject through an AL results in better learning, not less learning. The syllabus you will cover is the same as other students. On the other hand, you will learn another language in addition to the subject. Your course will be richer, rather than poorer. You will be able to describe things and do things in the AL as well as in your own language.

4. Will I be able to understand everything I am taught in a foreign language as I would in the school lingua franca (SLF)?

Yes. Your teacher will find ways to help you understand the subject. Remember, using the SLF in a CLIL lesson is not forbidden, and you can ask your teacher for help. In addition, your teacher will use ways to introduce content (eg technology or diagrams) that will make learning easier.
